

KNUTSON BROS II, LLC TAKES ON AMWOOD CUSTOM HOME DEALERSHIP

Have you ever wanted to build your own home, but felt it was just beyond your income?

Your dream of building a new home can become a reality as **Knutson Bros II, LLC** has teamed up with Amwood Custom Homes.

Knutson Bros II, LLC stated “We believe in building the highest quality home for an affordable price and Amwood Homes can give our customers both.” Today, many people believe homes are not affordable. With Amwood’s guaranteed, locked in pricing and today’s low interest rates we can show these people that a beautiful new home is within the range of many families. Amwood specializes in custom homes and is the leading custom home component supplier in the Midwest. Components are erected on site by a carpentry crew and then completed by **Knutson Bros II, LLC**.
